INDEPENDENT AUDITOR'S REPORT

To the Members of **AYEYARWADY BANK PUBLIC COMPANY LIMITED**

Report on the audit of the Financial Statements

Opinion

We have audited the financial statements of **Ayeyarwady Bank Public Company Limited** (the "Bank"), which comprise the statement of financial position as at March 31, 2024, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information, as set out on pages 10 to 56.

In our opinion, the financial statements present fairly, in all material aspects, the financial position of the Bank as at March 31, 2024 and its financial performance and cash flows for the year then ended in accordance with the provisions of Myanmar Companies Law (the "Law") and the International Financial Reporting Standards ("IFRS"). In case of IFRS 9 Financial Instruments: Impairment of Financial Asset, the Bank continues to apply International Accounting Standards 39, Financial Instruments: Recognition and Measurement with loan loss provisioning modified by the Central Bank of Myanmar ("CBM") Notification No. 17/2017, Asset Classification and Provisioning Regulations, and CBM Instruction Letter (12/2023) dated August 31, 2023 to all financial institutions for extension period till August 31, 2024 for full compliance and the Section 39 of Financial Institution Law ("FIL") 2016 so as to give a true and fair view of the state of affairs of the Bank as at March 31, 2024, and the results, changes in equity and cash flows of the Bank for the financial year ended on that date.

Basis of Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) issued by International Auditing and Assurance Standards Board (the "IAASB"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants ("*IESBA Code*"), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Basis of accounting - Restriction on distribution or use

We draw attention to Note 2.1 to the financial statements, which describes the basis of accounting. The financial statements are prepared to assist the Bank in complying with the financial reporting provisions required by its shareholders and business partners. As a result, the financial statements may not be suitable for another purpose. Our report is intended solely for the Bank, its shareholders and business partners and should not be distributed to or used by parties other than the Bank, its shareholders and business partners without consent from the auditor. Our opinion is not modified in respect of this matter.

Other Matters

Another set of financial statements of the Bank for the year ended March 31, 2024 were prepared by management in accordance with Myanmar Companies Law (the "Law") and the Myanmar Financial Reporting Standards ("MFRS") including the modification of the requirements of Myanmar Accounting Standards 39, Financial Instrument: Recognition and Measurement in respect of loan loss provision by the Central Bank of Myanmar ("CBM") Notification No.17/2017, Asset Clarification and Provisioning Regulations, and CBM Instruction Letter (No.12/2023) dated August 31, 2023 to all financial institutions for extension period till August 31, 2024 for full compliance and the Section 39 of Financial Institution Law ("FIL") 2016 and authorised for issue by the Board of Directors on July 31, 2024.

Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements in accordance with the accounting policies as described in Note 2.1 to the financial statements and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so,

The directors are responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objective are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to Influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or if such disclosures are inadequate, to modify our opinion. Our considerations are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
